

# Coaching Success Maintained - A New Membership Opportunity

Navigate your new challenges  
with on-demand maintenance coaching.

What happens when you need to step back into coaching for those fine-tuning moments or the unexpected hurdles that throw you for a loop?

You may desire a monthly opportunity to set aside time for yourself and add more tools to your toolbox.

Upon completion of any coaching package, this add-on membership gives you the access you need, when you need it, and the confidence of the same trusted coach who already knows your history to:

- Handle new challenges as they arise, without stress
- Continue to expand what sets you apart as a leader
- Connect your natural strengths to the needs of your organization without falling into the trap of trying to be someone else
- Trust your decision-making instincts with greater confidence
- Lead a team with practiced ease and reduced drama

Memberships is based on your desired level of virtual **support**\*:

\$500/month = Monthly coaching session and **support**\*

\$800/month = Bi-monthly coaching sessions and **support**\*

\*Coaching **Support** includes texts, emails, resources, calls and check-ins to help you stay on track with your leadership success – just like our coaching experience.

Membership is billed monthly and can be canceled with a 7 day notice.

Refunds are not available for partial months.
